
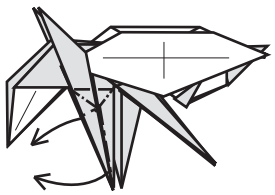
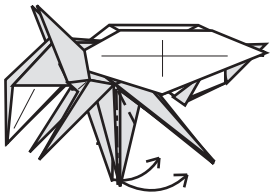
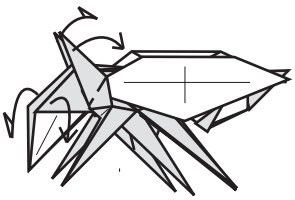
97.Tuck the tip of the win into the pocket. Shape the wing. Repeat steps 94-97 behind.



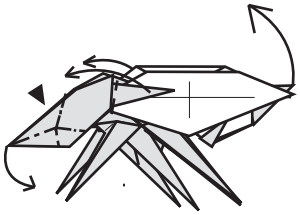
98.Rabbit ear the front legs. Due to the thickness, they will stick out slightly.



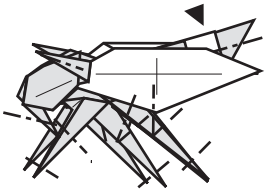
99.Crimp the middle legs in half.



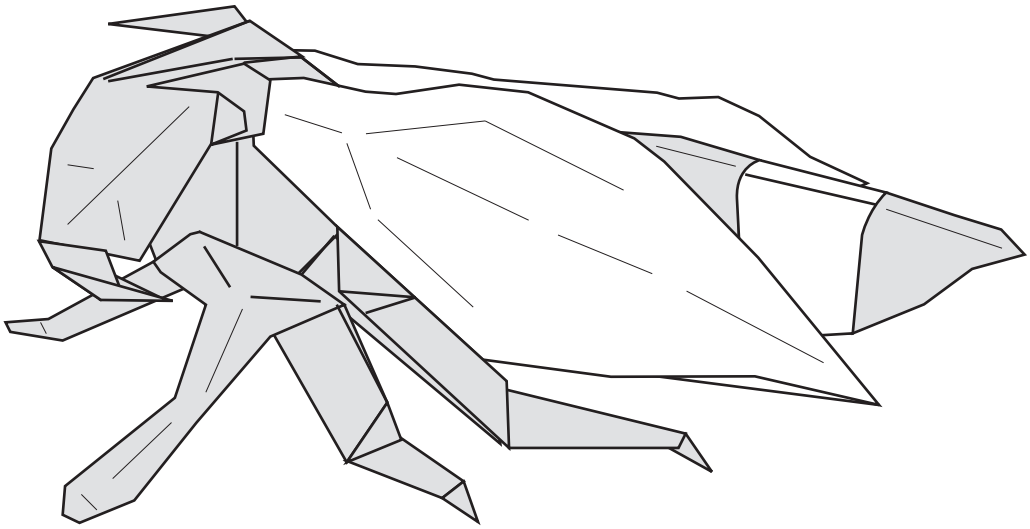
100.Pull the antennae back and outside reverse fold the head around them.



101. Curl the antennae around the head. Double rabbit ear the head. Pull tail upwards.



102.Crimp the legs. Curl the antennae and the tip of the head.Round out the abdomen, and curl the wings around it.



103.Completed Bee
